Joy Communications Ranked 10th Largest Business Telephone Company in South Florida

Stuart, FL – September 17, 2010 – Joy Communications, a leading unified telecommunications provider, was recently ranked 10th largest Business Telephone Company in South Florida by South Florida Business Journal. South Florida Business Journal looks at size of the customer base, number of user stations supported and service offerings.

Pete Engle, president of Joy Communications, said “We have worked extremely hard over the years to build a great company with a solid reputation in our community and it is great to be recognized as the 10th largest Business Telephone Company in South Florida. Our philosophy of understanding the needs of our customers first and then delivering customized solutions that exceed their expectations has differentiated us in our marketplace,” Mr. Engle also commented, “This philosophy, backed by an exceptional team of highly skilled professionals is the reason why we are ranked number 10. We’re extremely proud of our efforts and it shows that our hard work has paid off.”

Joy Communications offers businesses a variety of unified communication solutions including managed services, telephone systems, local/long distance service, Internet connectivity, web conferencing, teleconferencing, call accounting, and Voice over IP (VoIP).

Joy Communications, founded in 1982 with offices in Stuart, Tampa, and Ft. Lauderdale, is a multi-million dollar private company with over 10,000 customers throughout Florida. Joy Communications sells and services telecom equipment including Mitel, Samsung, and Shoretel, and provides data equipment and services. Joy’s service area extends from Melbourne to Key West and the Tampa/St. Pete area. Joy Communications specializes in providing quality service and support to its customers with locally based, certified technicians.
