

# MITEL UNIFIED COMMUNICATOR ADVANCED

## REVOLUTIONIZE HOW YOU COMMUNICATE AND COLLABORATE WITH COLLEAGUES, CUSTOMERS, AND BUSINESS PARTNERS

Mitel® Unified Communicator® Advanced (UCA) provides a single access point for all your business communication and collaboration needs. It gives you unprecedented control over your communications and allows real-time access to everyone in the organization regardless of location, with rich presence information that makes every phone call or instant message (IM) count.

UCA is a core component of the Mitel Applications Suite (MAS). MAS is a comprehensive, integrated solution that unifies business critical applications, promotes user agility and collaboration, and simplifies and streamlines administration.
